ECML Kontaktpunkt Danmark

Nyhedsbrev nr. 2/2016

Kære kolleger,

I modtager hermed nyhedsbrev nr. 2 fra ECML Kontaktpunkt Danmark.

Efter en rolig sommer er vi i fuld gang med vores aktiviteter.

Sprogkonferencen 2016

ECML Kontaktpunkt Danmark afholder, som vi nævnte i vores første Nyhedsbrev, den store sprogkonference *Sprog på kryds og tværs* i Odense (SDU), den 26. september 2016, den Europæiske Sprogdag. Sprogkonferencen 2016 "Nye retninger i sprogundervisningen: forskning og praksis" har et nyt koncept med mere diversitet og flere institutioner og sprogaktører i spil.

Du kan læse mere om vores keynote speakers **Robert O'Dowd** (Universitetet i León, Spanien) og **Petra Daryai-Hansen** (KU & UCC) samt abstracts for de andre oplag på vores [hjemmeside](#). I den første del af konferencen - som går på tværs af sprogene - vil der blive præsenteret ph.d. projekter som er afsluttet for nylig. Den anden del af konferencen rummer udviklingsprojekter på tværs af sektorer.

En ny ting er at **den Europæiske Sprogpris** skal uddeles for første gang i år på ECML sprogkonferencen. Den Europæiske Sprogpris uddeles hvert år til innovative projekter eller personer, som har bidraget til at udvikle læring af fremmedsprog.

Læs mere om den [Europæiske Sprogpris](#).

Hust at tilmelde dig senest d. 19 september 2016!

Deltagelse er gratis. Der serveres frokost og kaffe undervejs.

Den Europæiske Sprogdag d. 26 september 2016

Vær med til at fejre den Europæiske Sprogdags 15. fødselsdag som er blevet holdt hvert år siden 2001 på initiativ fra Europarådet, Strasbourg! Der er ikke for sent at du/I finder inspiration til din/jeres arrangement på Sprogets Dag. Vi har haft flere henvendelser før sommerferien og nogle markedsføringsmaterialer og undervisningsmaterialer er allerede udsendt til forskellige skoler og institutioner rundt om i Danmark.

Husk, at ALLE kan blive del af den Europæiske Sprogdag! Hvad enten det er som enkeltperson eller gruppe, inden for en organisation (skole eller forening) eller blot blandt venner, kan alle deltage i dagen. Alle kan bidrage til, at Den Europæiske Sprogdag bliver en succes – enten ved at deltage i de planlagte aktiviteter eller ved at gå sammen med andre og arrangere en event.

Læs mere om den Europæiske Sprogdag 2016 og husk venligst at registrere information om events i EDL-arrangementskalenderen. Du kan også se hvilke events dine kolleger i Danmark eller i andre europæiske lande allerede har registreret.

En dansk udgave af den Europæiske Sprogportfolio

ECML Kontaktpunkt Danmark er meget glad for at kunne fortælle at vi har fået en bevilling fra *Ministeriet for børn, undervisning og ligestilling* til udarbejdelse af en dansk udgave af Den Europæiske Sprogportfolio. Projektet har sprogpædagogisk og didaktisk relevans for sprogundervisningen i Danmark i både fremmedsprog (engelsk, tysk og fransk) og dansk som andet sprog.

Udviklingen af Den Danske Sprogportfolio foretages af en projektgruppe af erfarne sprogundervisere og sprogforsker, ledet af Line Møller Daugaard, lektor i VIA University College og Ana Kanareva-Dimitrovska, ECML Kontaktpunkt Danmark. Mere information om projektet følger i næste nyhedsbrev.

Kommende workshops i Graz, Østrig

ECML Kontaktpunkt Danmark har nu udpeget den danske deltager til den første ECML workshop i 2016 om aktionsforskning for sproglærere (“Action research communities for language teachers” / “Communautés de recherche-action au service des enseignants de langues”). Du har stadig mulighed for at tilmelde dig til den anden workshop i 2016. Den handler om den Europæiske Referenceramme CEFR: “A quality assurance matrix for the use of the Common European Framework of Reference (CEFR)” / “Une matrice qualité pour l’utilisation du Cadre européen commun de référence (CECR)” d. 15-16 november 2016 i Graz, Østrig.

Vi skal have din ansøgning senest d. 5 september 2016.

ECML Traineeships and Research fellow

ECML i Graz tilbyder hvert år 6-måneders praktik for sprogstuderende. Der er mulighed for fire slags praktik og ansøgningsfristen er to gange om året, i slutningen af august og i slutningen af februar. Du kan læse mere om dette [her](#).

A Danish edition of the European Language Portfolio

The project has a pedagogical and didactical relevance for language education in foreign languages (English, German and French) in Denmark as well Danish as a second language. The development of the Danish Language Portfolio will be carried out by a project team of experienced language teachers and language researchers, led by Line Møller Dugaard, associate professor at VIA University College and Ana Kanareva-Dimitrovska, ECML Contact Point Denmark. More information about the project follows in the next newsletter.
