Re: **Nomination of participants to Workshop No 3/2017 (10-11 October 2017)** "Digital literacy for the teaching and learning of languages"[1] within the framework of the ECML's medium-term programme of activities 2016-2019, Graz, Austria

---

Venue: Graz, Austria
Dates: 10-11 October 2017

Participants: 1 delegate per member state, to be nominated by the national nominating authorities

Working languages: English and French, with simultaneous interpretation

Deadline for nomination: 30 June 2017

Workshop focus

- Piloting
- Training and professional development

Content focus on digital literacy

- Exploring a teaching approach which fully integrates social interactions;
- Building activities for the teaching and learning of languages which contribute to the development of competent and autonomous language learners and users;
- Discussing and providing feedback on the pilot phase.

Expected outcomes of the workshop (for the participant)

- Knowledge and ability to use digital technologies to:
  - o develop and implement teaching and learning tasks;
  - o develop the necessary competences to complete these tasks;
- Ability to train other teachers face-to-face and/or online using the project platform.

Expected outputs of the workshop (for the participant)

- Bank of collectively built tasks which can be (re)used in varied contexts;
- Exchanging and networking with colleagues from different teaching backgrounds.
